

We Care..

Small acts, when multiplied by millions of people can transform the world.

Glimpses depicting that we care..

Blood Donation

On the occasion of birthday of Bal Bhagwan Shikshan Prasarak Mandal's Chairman Honourable Balasahebji Jadhav Saheb, on 10th, Dec. 2024, the school organized 'Blood Donation Camp'.

The school staff contributed in the noble work.

Contribution to Society

On 2nd Oct, NCC cadets took initiative to clean our school premises.

We Care..

Dr. Mulmule's session

Oxford International School is a place where children are treasured in every way. Our aim is to build up our children into great personalities. This can happen only when we understand them and help them grow. For this we arrange various awareness programs not only for the children but also for the

teachers and parents who can learn and guide the students. There are people in the society who happily come forward to help us to achieve our goal. We were lucky to have an immensely intellectual personality Dr. Mulmule in our school to guide the teachers and parents on how adolescents face anger issues. Sir guided us about how to help the children overcome these issues and help them develop a good personality.

Vachan Sankalp Maharashtra

Fostering a Love for Reading

Oxford International school recently embarked on an exciting journey to promote reading habits among students, parents, and staff. Book exhibition was organised for parents and students under this program. Dr. Ratnalikar sir delivered an inspiring talk, emphasizing the importance of reading in shaping young minds. Our Principal and

Vice Principal ma'am also offered valuable guidance, encouraging students to develop a lifelong love for reading. Students narrated stories.

Students submitted their book reviews. These reviews were thoughtfully compiled and pasted on a board, providing a glimpse into the students' reading experiences and opinions.

The programme also featured a 'Samuhik

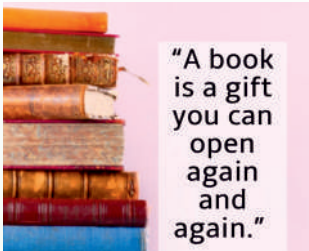

Wachan' session, where students collectively read and discussed books. This engaging activity fostered a sense of community and promoted a love for reading among participants.

The 'Wachan Sankalp Maharashtra' a government initiative, celebrates the joy of reading and encourages students to explore the world of books. We are proud of our students, staff, and parents for their enthusiastic participation and look forward to continuing this journey of fostering a love for reading.

There is no friend
as loyal as book

Organ Donation Day Rally

Alumni Meet

"Great acts are made up of small deeds".

SEWA Activity "Great acts are made up of small deeds". SEWA is a Social Empowerment through Work Education and Action. It aims to empower the students through experiential learning, to develop as active, caring and compassionate human. SEWA is all about community service. Oxford International School conducted different SEWA activities for the students (classwise). One of the SEWA Activity conducted by class IX D was Alumni Meet 2024. The students of batch 2015 and 2016 were invited on 23 February. Various events were organized by class IX D students like welcome song, welcome dance, speeches of Alumni students, quesstionarre, games and videos . Lunch was served after the event. The Batches 2015 and 2016 enjoyed the activity and shared their experiences with the students. "A trip to nostalgia now and then is good for the spirit".
