Agriculture Club

"Where life begins...."

Let's step towards farming

The agriculture club is an interactive hand-on-opportunity that teaches students how to cultivate, grow and harvest crops. Here students develop knowledge on sustainable solutions regarding the challenges of agriculture field. This program stems from the need of the community "Grow our Own".

It's aim is to create awareness and interest among the young and educated

generation to take up agriculture also as an occupation.

The objectives of this club are to impart skill and knowledge of agriculture to the students, to inculcate the dignity of labour among the children, to help to generate school agriculture fund by selling vegetables, and also to create awareness among the students on the importance of agriculture.

Art Club

“Where art meets heart , magic happens ! ”

The purpose of art club at Oxford International School is to provide students who have an interest in art, an opportunity to explore art and craft forms beyond what is offered in the curriculum. It gives students the opportunity to work individually and in groups.

Many Art and Craft related activities are conducted in this club. This club also works in inter – disciplinary activities for helping relating art with different subjects.

Competitions and exhibitions are held by this club showcasing artistic works prepared by the students.

Astronomy Club

Look up; the universe is waiting

Our Astronomy Club offers opportunities to try out new equipment, learn new techniques, and make new friends. The club is one of the best resources for developing students' skills and passion for astronomy. The Astronomy Club of our school helps the students in understanding the celestial bodies, their origin and changes along with the role of science in exploration and understanding the universe. Speakers from

field of Space and Astronomy are invited to conduct sessions like sky watch.

By studying the cosmos beyond our own planet, students can understand where we came from, where we are going, and how physics works under conditions which are impossible to recreate on Earth.

In astronomy, the Universe is our laboratory!

**"Care for the earth,
it's our only home"**

Environment club

"Stop polluting the environment. Save our planet. Think before you trash it. A little effort towards saving the environment is better than no effort."

Environmental club in our school empowers students to participate and take up meaningful environmental activities and projects. It is a forum through which students

can reach out to influence, engage their parents and neighborhood communities to promote sound environmental behavior. Sustainable Development is the motto of our club. After all, "Nature provides a free meal, but only if we control our appetites".

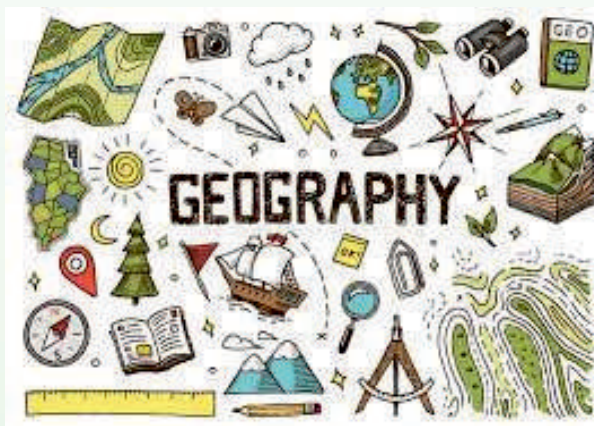

Geography Club

**"Geography is an earthly
subject by a heavenly science."**

"There is an eternal landscape, a geography of the soul; we search for its outlines all our lives."

The Geography Club plays an important role in creating interest in geography in our school students. This helps our students to have an idea of the practical utility of geography besides creating their interest in Geography. The Geography Club aims to develop knowledge and insight among the students regarding geography of India as well as the world.

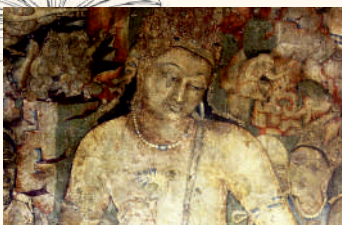

Heritage Club

"A rich heritage is a gift for generations."

"Our heritage lives in every story we tell."

Unveiling the Richness of Our past : In an era where technology and modernization are rapidly changing the fabric of our society , it's heartening to see a group of young minds passionate about preserving and promoting our cultural heritage. The heritage Club of OIS is a shining example of this endeavour, where students come together to explore, learn , and celebrate the rich history and traditions of our nation.

The Heritage club has been actively engaged in a range of activities & events to showcase the vibrant culture of India.

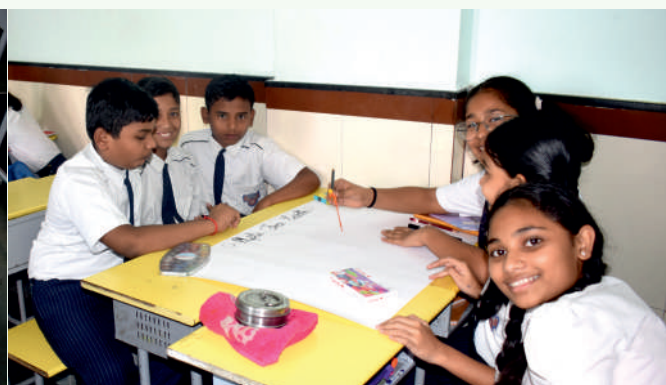

Some of the notable initiatives include :

- Heritage walks
- Lecture Series
- Cultural Festivals & celebrations

Not all those who wonder are lost - with English, we wander through endless words .

sessions at the English club provided the students with the opportunities where they harness their own potential of dealing with English effortlessly. In the first session, it all began with 'Charade' where children enacted the verbs , nouns and adjectives, then it moved to ' Pictionary 'where the students harnessed their artistic side as well. Next week , they wrote ' Acrostic poems ' like

**Ravishing rivers flowing by
Awesome greenery till horizon
Innumerable insects singing around
Nasty clouds bursts, pleasant drizzling**

English Club If English is window to the world , the English club in our school paves the way for the students to discover, explore , comprehend and build up their personality so that they can feel confident and at ease while using English Language. Weekly

poetry of reality."**

The Science Club was designed by us with an aim to motivate the students to get scientific knowledge. Activities by our club are designed primarily to introduce students to undertake interesting/exciting science projects.

"The good thing about science is that it's true whether or not you believe in it."

Science club is an exciting way for students and enthusiasts to explore and engage with the world of science. This club provides an opportunity for individuals to learn about different scientific disciplines, conduct experiments, and participate in various scientific activities. By joining a science club, students can enhance their scientific knowledge, develop critical thinking skills, and cultivate a passion for science. One of the

key benefits of science club is the opportunity to conduct experiments and explore different scientific concepts in hands-on way. By conducting experiments and participating in scientific activities, students

can gain a deeper understanding of scientific principles and theories. This can help to cultivate a passion for science and inspire students to pursue careers in science-related fields.

Curiosity sparked and minds ignited at our science quiz competition, where young scientists showcased their knowledge and expertise .

"Technology is anything that wasn't around when you were born."

Technology Club

This club aims to spark curiosity, ideas, imagination, creativity, originality and encourage students to become increasingly involved in modern technology. Technology

club provides activities and projects for students to explore the wide world of technology. Activities through the club are conducted to make the students learn through exploring.

Kathak Club

नृत्यकला हि संगीतातील नादाइतकीच प्राचीन आहे. मानवी जीवनावर निसर्ग, संस्कृती यांचे जे संस्कार झाले त्याला अंगसंचालनातुन कलात्मक रूपात करुन दाखवणे म्हणजे नृत्य.

भारत हा विविधतेने नटलेला देश आहे.

त्यामुळे प्रत्येक राज्यात विविध नृत्य प्रकार आढळतात. भारतातील शास्त्रीय नृत्यांपैकी कथक हा एक सर्वात प्राचीन व लोकप्रिय नृत्यप्रकार आहे. कथक हे उत्तर प्रदेशाचे प्रमुख नृत्य असुन, कथकचे मूळ संस्कृत भाषेतील कथा यात आढळते. 'कथा कहे सो कथक कहलावे' म्हणजेच लय, ताल व शरीराच्या कलात्मक अंगसंचालनाद्वारे कथा प्रदर्शन करणे म्हणजे कथक. तर प्राचीन काळापासून परमेश्वराच्या कथा सांगता-सांगता कथक नृत्याचा प्रचार व प्रसार झाला. कथक नृत्याला बनारस, लखनऊ व जयपूर अशी तीन घराणे पद्धती लाभलेली आहे. यातील लखनऊ घराण्यातील भावप्रदर्शन व पदनुयास करण्याच्या पद्धतीला विशेष लोकप्रियता आहे. त्यामुळे भारतीय सिनेमा जगात सुद्धा लखनऊ घराण्यातील

कथक नृत्य प्रामुख्याने केले जाते.

प्राचीन काळापासून ते आधुनिक काळापर्यंत कथक नृत्यकलेची पिढ्यान्पिढ्या सेवा करणारे व पद्मश्री, पद्मविभूषण भारतरत्न असे अनेक सन्मान मिळविलेले आधुनिक जगातील

सर्वात मोठे गुरु म्हणजे 'पं.बिरजुजी महाराज' ज्यांनी आपल्या साधनेतुन नृत्याच्या प्राचीन परंपरे सोबतच नवीन व कलात्मक रचना प्रदान केल्या व भारतातच नाही तर जगात कथक नृत्याचा प्रसार केला.

कथक नृत्यात लय व तालाइतकेच गणितही महत्वाचे आहे. नृत्य सादर करीत असताना संगिताबरोबर शारीरिक हालचालींचे समन्वय साधण्यासाठी व समेवर येण्यासाठी विशिष्ट मोजमापन म्हणजेच गणिताचा वापर होतो. ज्यामुळे कथक नर्तकाचा बौद्धिक विकास हा दुसऱ्यापेक्षा जास्त व लवकर होतो त्याच बरोबर लय व तालितील गमतिजमतिमुळे वाचा स्वच्छ होते. मानसिक तणावापासून दूर राहण्यास मदत होते.

शरिराची होणारी सतत हालचाल व एकाग्रतेमुळे बौद्धिक

विकासाबरोबरच शारिरीक व मानसिक विकास ही होतो. त्याच बरोबर आधुनिकतेकडे वळलेल्या नवीन पिढीला स्वतःचा इतिहास व संस्कृती जाणुन घेण्याची संधी मिळते. ज्यामुळे विद्यार्थ्यांचा सर्वांगीण विकास होतो व विद्यार्थ्यांमध्ये सकारात्मकता वाढते.

कथक नृत्यातील बोल व विविध रचनांमुळे विचार करण्याची क्षमता व कलात्मकता वाढते. या क्लबचा उद्देश्य

विद्यार्थ्यांना आधुनिकते सोबतच भारतातील प्राचीन

परंपरा, संस्कृती यांच्याशी जोडून ठेवतो. कला क्षेत्रात रूची असणाऱ्या विद्यार्थ्यांच्या सुप्त गुणांना वाव देणे, जास्तीतजास्त विद्यार्थ्यांना प्रोत्साहित करणे, नवीन कलाकारांना विविध माध्यमातून जास्तीतजास्त मंच प्रदान करणे, यातून कलात्मकते सोबतच विद्यार्थ्यांची कार्यक्षमता वाढवणे. कलाक्षेत्रातील विद्यार्थ्यांना विशुद्ध ज्ञान देणे, संस्कृतीची जोपासना करणे.

EXTRACURRICULAR ACTIVITY

Extracurricular Activities are activities outside of the academic curriculum, such as clubs, sports and community service, that provide opportunities for students to develop leadership and interpersonal skills.
